"LITTLE THINGS" By One Direction
Edited by Emil Remo

Intro: G C Em D/F# C D G

G
Your hand fits in mine, like it's made just for me
C
But bear this in mind it was meant to be
Em D/F#
And I'm joining up dots with the freckles on your cheeks
C D G
And it all makes sense to me

G
I know you've never loved
C
The crinkles by your eyes when you smile
You've never loved your stomach or your thighs
Em D/F#
The dimples in your back at the bottom of your spine
C D G
But I'll love them endlessly

Am7 C Em D/F#
I won't let these little things slip out of my mouth
Am C Em
But if I do It's you, oh it's you
D/F# C
They add up to I'm in love with you
G
And all these little things

G
You can't go to bed, Without a cup of tea
C
And maybe that's the reason that you talk in your sleep
Em D/F#
And all those conversations are the secrets that I keep
C D G
Though it makes no sense to me

G C
I know you've never loved, The sound of your voice on tape
You've never want to know how much you weigh
Em           D/F#
You still have to squeeze into your jeans
       C          D          G
But you're perfect to me

I won't let these little things slip out of my mouth
       Am        C                Em
But if I do It's you, oh it's you
       D/F#             C
They add up to I'm in love with you
       Am7
And all these little things

Am7       C           G           D/F#
You'll never love yourself half as much as I love you
Am7       C       G             D/F#
And you'll never treat yourself right, darlin' but I want you to
Am7       C       G       D/F#
If I let you know I'm here for you
Am7       C               G       D/F#
Maybe you'll love yourself like I love you   Oh

Am7       C           Em        D/F#
And I've just let these little things slip out of my mouth
Am7       C                Em
'cuz It's you, oh it's you,   it's you
       D/F#             C
They add up to, and I'm in love with you
       Am7
And all these little things

Am7       C           Em        D/F#
I won't let these little things slip out of my mouth
Am           C                Em
But if it's true, It's you,     it's you
       D/F#             C
They add up to I'm in love with you
       G
And all your little things
